Hello,

I saw a teaser about this story for the 5:00 pm news last night so I watched it from home. The story ran at 5:45 pm, but you can get the transcript and the entire news story at the web site.

Investigator with Erin Brockovich visits Bristow with FOX23

"The best time to plant a tree was twenty years ago. The second best time is now." — Anonymous

Diane's note: *Winter is a good time to plant trees, shrubs, and native perennials. Bare root trees can be planted any time during winter until they leaf out. Oklahoma Arbor Week, the last full week in March, marks the end of tree and shrub planting season in Oklahoma.*
